VINIFICATION AND AGEING

Fermentation: The grapes are vinified according to their original vineyards. After a 2-3 day prefermentative cold maceration the grapes begin to ferment in controlled temperature steel tanks for a period ranging from 10 to 25 days

Ageing: ageing process is taking place for 70% in French oak barrels and for 30% in steel tanks for 10 months.

TASTING NOTE

Red fruit, vanilla and spices make the aromatic spectrum very intriguing. The smooth and soft tannins contribute with a touch of acidity to make this wine intense, rich and at the same time unexpectedly easy to drink.

WINE PAIRING

Excellent as an aperitif, cold cuts, meat sauce, grilled red meats
